 **MEETINGS**

Committee Meeting

This is held on the first Tuesday of the month (Oct 5th) The meeting commences at 1.30 pm at The Bribie Island Bowls Club. Just a reminder - any financial member may attend the Committee Meetings.

Cultural Meeting

Held on the fourth Tuesday of the month (Sept 28th) at The Orchid house, 156A First Avenue, Bribie Island. Meeting time is 1.30pm.

New Growers Meeting

Held on the last Saturday of the month (Sept 25th). These meetings will be held in future at The Orchid House commencing at 1.30pm.

Vale Roy Mitchell.

Roy passed away on Monday ,16th August just a few days after his 93rd birthday. We all give Merle our love & sympathy at this sad time. Roy joined our society on the 25th May 1988 & had been a loyal hardworking member ever since.

Merle & Roy were outstanding orchid growers with their Cattleyas & Dendrobiums with many prize ribbons to show for their work.

Their orchid houses were fine examples of how to care for & grow orchids.

Roy, and of course Merle, attended all our meetings, new growers meetings, shows & bus trips

Roy served on our committee for many years as a committee member & our steadying influence.

Roy was also 'on the door' for all our shows, even at the ripe old age of ninety.

Roy was always on hand to set up our shows or prepare the tables for our meetings or help set up other society shows. He was a revered & much loved figure in all our STOCQ societies.

Roy & Merle were awarded a life membership of our society in May 2004.

Rest in peace Roy.

ANDO'S ALL JOBS

Family run business

Call us for all those jobs you never get around to doing!! No job too small.

Handrails, ramps, tiling, fencing, landscaping, lawns mowed, rubbish removal, doors & locks, repairs & maintenance, gutter cleaning, small demolition, painting & decorating, house cleaning, welding & fabrication- All work completed by Engineering Tradesman (Fabrication trade)

Great affordable prices – call us for a free quote!! Fully insured – Jobs under \$3300

AUGUST CULTURAL MEETING—FIRST IN "THE ORCHID HOUSE"

Well they came from near and far for the big event, the Websters from Ormiston, John Atkins from Benarkin, Carolyne Macqueen from Kallangur and our VIP's Carryn Sullivan and the ladies from Westpac, Lisa and Katrina.

And how sweet it was! Fay Wheeler eloquently expressed everyone's admiration for the finished structure and gratitude for those hard-working souls who made it happen against all odds.

The meeting began with a nice blessing by Don Neldner on the new building and all who sail in her but we forewent the breaking of champagne over her bow.

The members excelled themselves with the number and quality of plants benched. Always nice to see new names featuring amongst the winners, such as Dries and Tina Walterfang and Alan Budge.

Judy updated us on the plans for the Queensland Week Orchid and Garden Expo next June and appealed for more ideas and assistance.

The collection to assist the High School students travelling to the Cambodian Orphanage closed for this year at \$205.

At this year's Xmas Party a major raffle prize will be a hamper and contributions can be brought to either of the next two meetings. If you're wondering what to bring Judy has a list of suggestions.

On display was the Museum 'Paddle' with information about our society's history and activities. This was prepared by Ian (thanks Ian) and was an initiative of Ron Powell's.

Val appealed for raffle sellers as our October Show is fast approaching.

And I'm sure many of our members heaved a sigh of relief to hear that our Council Grant had been received. Thank you MBRC and Gary Parsons who arranged by hand delivery.

**Popular Vote Orchid— *Lc. Mildred Rives* (I&C Macqueen)
 Popular Vote Foliage— *Anthurium* (D&M Neldner)
 Judges Choice— *Phal. amabilis* (M&F Wheeler)
 Judges— K. Webster, M. Wheeler, J. Hoppood, T. Davis. Scribe—B. Hoppood**

DATES TO REMEMBER

11 Sept	Bunnings sausage sizzle
16-18 Sept	Sunshine Coast Show at Pelican Waters (members only)
18-19 Sept	E.D.O.S. Show
25-26 Sept	Glasshouse Show. BIOS participates.
2 Oct	Bus Trip to Savoyard Theatre
9-10 Oct	BIOS Show
17 Oct	Bunnings sausage sizzle
21-23 Oct	Redcliffe Show at Redcliffe Library
28 Oct	BIOS table at Handicraft Club Sales Day, Indoor Bowls Club, 9.00am-12.00 noon
6 November	STOCQ Meeting at Boyne Tannum
13-14 Nov	Pumicestone Show
21 Nov	Judges Training at BIOS
23 Nov	Our Xmas Party at RSL commencing 11.30am

National/International Shows.

6 Nov 2010-25 Apr 2011, (Indoor Floriculture Competition 6-28 Nov) Taipei Intl Gardening and Horticulture Expo. Group packages being arranged by Travel Masters at Nerang. More details from Editor.

14-23 Nov 2011, 20th World Orchid Conference, Singapore.

10-16 Sept 2012, 19th AOC Conference and Show, Perth (more info at website

www.waorchids.iinet.net.au/19th_AOC_Conference.htm - note underscores before and after AOC)

NEW GROWERS

The home of John & Jackie Stokes was a delightful venue for the meeting on 28th August. John demonstrated the delicate art of deflasking. He also generously donated to each of the 31 present a plant from the flask - Den Burana Jade. Members appreciated the opportunity to peek into John's Orchid houses. Open skite plant winners were D & M Neldner, J & B Hopgood and B & L Mckane. No novice orchids were shown. Foliage winners were D & M Neldner and M & V Anderson. The raffle netted a healthy \$74. A tasty afternoon tea was enjoyed by all. Special thanks to our hosts, John and Jackie Stokes

The next meeting will be held in our own home - The Orchid House on First Avenue on 25th September. The correct naming of plants will be a topic and it is hoped to view some of the native Orchids of Borneo

Don & Margaret Neldner, Coordinators

Maureen Elliot is looking to buy a small second hand orchid house. If anyone knows where she can get one please ring her on 54295590.

SOCIAL REPORT

I (Di) would just like to thank everybody for coming to our kitchen tea, last Tuesday at our new orchid house. We all had a great time. It was really wonderful to see Merle Mitchell and Jean from Caboolture together with all our familiar faces and to receive so much stock for our kitchen cupboards and donations of money. We are getting closer to getting our stove. We are hoping to have more morning teas at our club house and maybe invite other clubs. Once again a special thanks to all and a very special thanks to Lynn.

All those who have booked to take the bus trip on Sat 2nd Oct to Cannon Hill Shopping Centre and then on to see the play "Carousel" at Lindum please be advised the bus is leaving from Woorim at 9am via all regular pick-ups and then returning to Bribie Island at about 5.30pm. At this stage, we do have 1 spare ticket (due to cancellation) at a cost of \$55 which includes the bus and entry to the show. So if you have someone who would like to join us, get them to contact Diann Sirett on 34081130 as soon as possible.

We are thinking of going to Wondai again next April. Di would be pleased to receive any other suggestions for next year.

SPRING OCTOBER ORCHID BONANZA

Preparations are well underway for our next show.

The ladies are busily baking. Contact Val if you can contribute ingredients (mainly flour, sugar, butter, eggs) or money to purchase same.

Raffle selling is underway. I think Val is still trying to fill one session.

Merv has again asked for plants for sale to be well-prepared.

Gwendella is busy drumming up publicity.

And **YES** we are again seeking sponsors for all classes. Prizes will again be \$20 for First, \$10 for second and \$5 for third so you are invited to sponsor a whole class (\$35) or part thereof. So far we have only received one member sponsorship.

OTHER HAPPENINGS

Noosa was a benching only show. There were no Bribie plants but our judges who attended found it much easier to judge than the display shows. Paphs took out both Champion and Reserve Champion.

Paph. Sukhakulii—
Noosa Champion

Paph.. Liemianum—
Noosa Reserve Cham-
pion

Nambour

We were a bit short of plants for this Show but the display was quite good and our members took out 10 ribbons with the ever reliable M&F being the star performers on the day. Thanks are also due to Stephanie Maller and the others who contributed plants for the display. Mel and Fay secured 3 Firsts (Phal. Amabilis, Sc. Jungle Gem, Vasco. Pine Rivers), 2 Seconds (Onc. Liz, Rhy. Chorchalood), and 3 Thirds (Phal. I-Hsin Bride, Phal. Orchid World, Phal. Amabilis). John and Bev gained a Second for Den. Gerald McCraith and Judy a Third for Lud. Discolor.

Show Champion—Paph. Fanaticum
Owned by B. Robertson

MAROOCHYDORE SHOW

This show combined small table displays with benching. Cymbidiums were prominent but there was also a good variety of other blooms. Our display was judged 5th but the scores were close and there wasn't much between the displays.

Our members were awarded a total of 12 ribbons and it was pleasing to see Keith Read who doesn't normally show, be awarded a blue ribbon for his Angraecum.

Must also mention Val Anderson's contribution in the form of 3 beautiful "mushroom pink" table coverings which added greatly to the overall appearance of our display. Many thanks Val.

Summary of our members' results follows:

Blues—M&F Wheeler (*Phal. amabilis* and *Onc. Robsan's Gold*) and K. Read (*Ang. Veitchii*) and J&B Hopgood (*Tillandsia*)

Reds— P. Board (*Bromeliad* and *Anthurium*) and J&B Hopgood (*Tillandsia*)

Yellows—M&F Wheeler (*Phal. I-Hsin Cream* and *Phal. Matthew's Spots*) and M&V Anderson (*V. Pongpunnee* and *Tillandsia*) and P. Board (*Foliage*).

Bev admiring Val's mushroom pink table coverings-and the orchids!

Other members who contributed plants for display but were unsuccessful were B&M Elliot, D&M Neldner, J&J McKinnon, J&K Carleton, J&J Stokes. Thanks to all of these.

Show Champion, *Den. Cooloola Cove*, owned by J&K Green

Keith with his *Angraecum Veitchii*

Best Species-*Rhy. gigantea*

Best Specimen—*Cym. Willunga Regal*

Reserve Champion and awarded HSC-Rsc. *Dal's Passion* owned by R&J Hopkins

INTERNATIONAL PHALAEOPSIS SYMPOSIUM

Phal. Tying Shin Miracle

About 80 people turned up for this symposium including 21 from BIOS.

The day was very well-organised with technical talks in the morning about breeding of new varieties of Phalaenopsis such as the harlequins, flared and peloric. All very interesting although I, for one, am glad we didn't have an exam at the end to test how much we had absorbed! We then inspected Graham's two large orchid houses which accommodate his own private collection of about 20,000 plants.

Those in attendance were encouraged to join the IPA and an inaugural committee was appointed to get the Australian branch up and running.

Graham gave some interesting insights into his main suppliers in Taiwan and recommended reading of the May issue of "Orchids" (magazine of the American Orchid Society) which contains an article by the proprietor of Tying Shin Orchids revealing the secrets of how he grows his phalaenopsis including some surprisingly different methods, such as potting in sphagnum moss (from China), growing quite dry and without heat or cooling and only using seaweed and fish supplements.

Graham also made available information sheets about his own growing methods.

Finally quite a few visitors took advantage of special prices to purchase some of his unique plants. All in all an excellent day and thanks are due to both Graham and his wife Glenda who did all the catering, and to Lynn who organised the bus for our members.

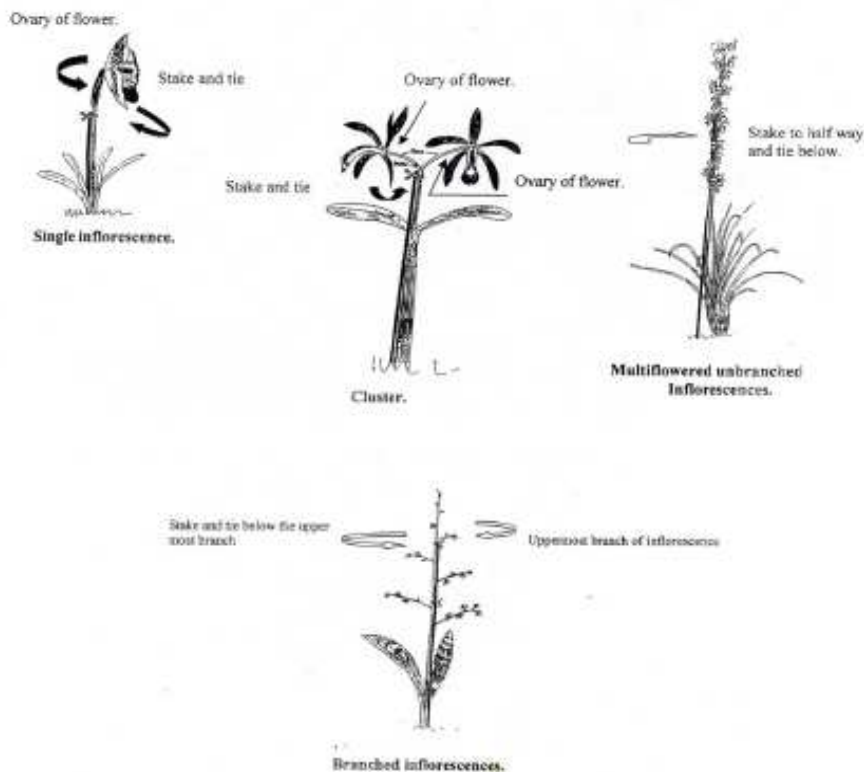

Staking Rules of Queensland Orchid Society Inc.

The use of artificial supports for a plant or its inflorescence shall be in accordance with the current Queensland Orchid Society requirements. Staking and tying for support will be permitted.

The Judging Panel has the right to remove any staking/tying if necessary in order to ascertain the strength of the flower spike. On all inflorescences, no staking or ties are allowed on or above the pedicle or ovary of the flower.

On multiflowered unbranched inflorescences, staking and ties are allowed up to but not above half way along that portion of the inflorescence carrying flowers and buds.

On branched inflorescences, the main branch may be staked or tied up to but not above uppermost branch, staking and tying of the side branches is allowed but may disadvantage the plant if considered excessive by the judges.

In specifying the height staking is allowed on branches these rules go further than the AOC rules . Each society can set its own staking rules in its show schedule so it is important to be aware of these prior to benching staked plants. STOCQ clubs tend to follow AOC guidelines and clubs in Brisbane QOS.

Our latest catalogue includes Ascos, Cattleyas, Dens, Oncids, Sarcs, Species, Vandas and many more.

ANNUAL REPORT OF PRESIDENT OF ORCHIDS QUEENSLAND

Following is an extract from the Annual Report of the President of Orchids Queensland (the State representative of the AOC):

"2010 continues down the trail of producing confusing nomenclature for both novice and experienced growers, and also to frustrate many commercial concerns. As many of us would be aware, there are many changes to the names of species floating around and I need to stress that we are obliged to acknowledge those changes as accepted by the Royal Horticultural Society. The Australian Orchid Council endorses the RHS nomenclature and even though Orchids Queensland is bound to administer in accordance with the AOC guidelines, it becomes very confusing to many when some of these guidelines are not adhered to by the AOC!

We are living today in the orchid world where a large proportion of growers are now fairly aged and could be classified as "hobby growers". As such, they may not look upon the AOC, and ultimately Orchids Queensland, in the same light as we have done in the past. If so, we and the AOC, may have to bring about some changes to policy and activity that may be more appealing to more growers who don't have as much interest in purely judging matters. I hope that the AOC can recognise this aspect, and we can assist in this regard with our input for change.

As a non-profit organisation, we rely solely on membership contributions to remain viable. Our responsibilities include the support of the State Registrar of Judging. Maintaining a stable level of membership and trying to increase this level of membership is of utmost importance to our being able to maintain our various responsibilities. As the representative organisation in the State to the AOC, it is imperative that we are able to represent the largest number of member societies possible and I would urge all societies who are not members to consider how they would wish to be represented to the AOC."

NOTICES/NEWS

1. Advice received of a new wholesale/retail orchid nursery "Orchids Mackay".
Tel-0749598442, Email orchidsmackay@bigpond.com, Website www.orchidsmackay.com.au
2. The last issue of The Australian Orchid Review is recommended reading for anyone interested in the Catasetinae alliance. Some excellent photos. Available from our library at next meeting.
3. Received from Maroochydore Society. "Would you please convey to the Members how much we appreciate their efforts in the lovely display. We do this for the public enjoyment as much as our own and we do have a chance to catch up quickly with friends."
4. Message from Marg Lenz. I am currently in the process of ordering the program OrchidWiz for our society and for some individual members. Since it is much cheaper to order in bulk, I was wondering if there are any other STOCQ societies contemplating this. I am willing to co-ordinate the purchase, and distribute the DVDs when they arrive. At present I have 9 of the SCOSC members and 7 judges' names that John Kemp has given to me. The cost for 10 to 19 licences is \$179.50US per user but if we get over 20 it comes down to \$149.50US per user (S/H included). The software is available in DVD format only and runs on Windows XP, Vista, or Windows 7 and requires 3GB of disk space. If your society or any members are interested in purchasing a copy, would you let me know before the 30th September please! I would also need names and a \$150 deposit (cheques made out to 'Sunshine Coast Orchid Society Caloundra Inc'). I will send the order at the beginning of October. More information about the program can be found at www.OrchidWiz.com

ON THE GRAPEVINE

This month has also seen the passing of John Hopgood's dad, Vern, who used to attend our meetings when he was staying with John. I believe his memory will live on through his orchids which John has been caring for.

Also passed on is Kevin Cheatham who was one of our members until he became ill.

And Alan Budge's dad has also passed away.

Our sympathies to all the families.

Birthdays for the month—Tom Davis and Mel Wheeler. Best wishes to you both.

That's all, folks.

(Note-Bulletins can be viewed in colour on our website)

Contact Editor John (phone 3408 9228 email stokes@sillyfrog.com) for more information on any of above items.
